

Interview Give it to some other player. How do you see the EU's role in the areas of Defence Cooperation and Security?  +1 credit If the answer is at least one full sentence.	Interview Give it to some other player. What is your position on the Defence Cooperation and Security?  +1 credit If the answer is at least one full sentence.	Interview Give it to some other player. What do you think the EU's role should be in the ongoing conflict?  +1 credit If the answer is at least one full sentence.
Interview Give it to some other player. Do you support deeper defence integration among EU member states, or do you think NATO should remain the primary defence structure?  +1 credit If the answer is at least one full sentence.	Interview Give it to some other player. How should the EU position itself in relation to rising global powers?  +1 credit If the answer is at least one full sentence.	War An aggressor country attacked one of the EU member states. The need for stronger EU Defence Cooperation is bigger than ever.  All +1 credit If players comment on the current course of action.
Military Conflict One EU member state attacks another member country. Some member states have developed their military capacities under the movement of EU Defence Cooperation.  All -1 credit if players fail to convince others that this is not their fault.	Distant War A new war broke out between distant countries. Experts claim that this is an outcome of a global arms race.  All -1 credit if players fail to convince others that this is not EP's fault.	Crisis Relief Heavy rains caused floods and landslides all over Europe. The EU used newly formed defence units to rescue citizens and build temporary road connections.  All +1 credit If they comment on the current course of action.
