

AmendMe Game

Thank you for downloading the game.

Now, you need to print out the game assets and cut them out. Most of the files (except game rules) need to be printed double-sided to match the front and back of the cards. Some files have duplicated content to reduce the number of printed pages if you have multiple player groups.

You also need a set (~100) of poker chips or coins for counting the players' political credit.

Contents of the ZIP file:

1. Game rules - Game Rules.pdf (print one copy for each group of players)
2. Legislative proposal - Directive Card.pdf (2 copies, print two-sided)
3. Political Groups - Party Cards.pdf (2 sets, print double-sided)
4. 36 amendments in 4 files: Amendments Cards 1.pdf, Amendments Cards 2.pdf, Amendments Cards 3.pdf, Amendments Cards 4.pdf, and 9 empty amendment cards: Amendments Cards N.pdf (optional). This is one set for 4 players. Print double-sided.
5. 36 events in 4 files: Event Cards 1.pdf; Event Cards 2.pdf, Event Cards 3.pdf, Event Cards 4.pdf, and 9 empty event cards: Event Cards N.pdf (optional). This is one set for 4 players. Print double-sided.

Have fun!
